Good afternoon Ms. Schwarz,

On behalf of my entire family, I thank you and your wonderful crew of designers for the amazing work you all did to our home. My parents were delighted at what wonders you guys did in each of the rooms, what my mother loved the most is that her taste and elegance still shines through in all the rooms, wonderful!!

Thank you so much, I think your skill is an art and we are grateful to have been chosen for your wonderful services.

Fondly,
